

	Tag	Attributes	Text	Description
105 ~	<cli>	-	-	Contains zero or more modes
110 ~	<mode>	name	-	Contains zero or more command tags. Attribute is required.
115 ~	<command>	-	-	Contains a required keyword tag.
120 ~	<keyword>	text	-	Contains zero or more keyword tags, with an optional action or help tag. Attribute is required.
125 ~	<help>	-	Yes	May be embedded in keyword or arg elements.
130 ~	<action>	object method	-	Contains zero or more arg tags. The attributes are required.
135 ~	<arg>	-	-	Contains a single instance of type tag, may contain a help tag.
140 ~	<type>	Type	-	Empty tag. Attribute is required, must be a valid java type.
